

A special place for special children.

Wish List 2009

St. Mary's Home for Disabled Children is Virginia's largest long-term pediatric residential care facility dedicated exclusively to children with severe intellectual and physical disabilities. Staff provide medical, therapeutic, educational and recreational services for as many as 92 children and young adults, ages newborn to 21 years.

Here are some suggestions for gifts if you'd like to donate items to the children and young adults of SMHDC.

Please keep in mind that we cannot use/don't need stuffed animals, colored nail polish, socks, bicycles, clothing with sequins or other embellishments, items made from chenille, music with explicit lyrics and movies rated higher than PG.

Gift bags make opening presents easier.

For more information or if you have questions, please contact Sonja Barisic at 757.622.2208 ext. 331 or sbarisic@smhdc.org.
